*Hello.....*

My name is Cynthia Davis.

I am a Jazz and Blues vocalist here in Victoria, most often performing as a trio or quartet, however a larger dance band is also an option. This flexibility allows me to provide music for both large and small events.

I love entertaining, and am very comfortable being in the background with soft vocals, or engaging the audience at a more lively affair. I invite you to call me so we can discuss your entertainment needs.

As each function will vary in length and musical requirements, rates will be discussed at that time.

I look forward to hearing from you,

*Cynthia Davis*
